

## ABSTRACT SUBMISSION GUIDELINES

Abstracts are limited to 1000 characters and no more than two references (**see example below**). Abstracts should be submitted to [esbra.nam.madrid@gmail.com](mailto:esbra.nam.madrid@gmail.com)

Please upload abstracts in a .docx or .doc file format with the presenting author's name in the title of the document

Preference:

Oral presentation	
Poster	

The format for the poster presentation is A0 (width: 80 cm x height: 120 cm).  
Abstract Deadline: 15th August 2020

## EXAMPLE ABSTRACT

### Alcohol consumption and gut microbioma

IM Presenter<sup>1,2</sup> ME Author too<sup>1,2</sup> A Nother<sup>1,2</sup> DA Boss<sup>1,2,3</sup> (please underline the presenting author)

<sup>1</sup>Department of Neuroscience, <sup>2</sup>Alcohol Research Center, <sup>3</sup>Veterans Affairs Medical Center, Health & Science University, City, State/Province, Country

Alcohol is a commonly abused drug. Genetic correlations have been reported in both human and animal models involving consumption of alcohol. There is evidence that gut microbiota alters.... **1000 characters**
